PREAMBLE

The Minister responsible for Kenya Ports Authority has approved the tariff contained in this publication. The tariff shall be effective from the 15th day of September 2025.

It is notified for general information that the Board of Directors, in pursuance of the powers of Section 30 of the Kenya Ports Authority Act, CAP 391, 1978 has prepared and published this Tariff as approved by the Minister.

These charges shall apply equally to all port users (individuals, persons, firms or corporations engaged in or responsible for handling vessels and cargoes including and not limited to shipping lines/agents, cargo agents, charterers, brokers, freight forwarders, consolidators, shippers or consignees).

Charges and dues appear in Sections I-IV of this Tariff. In the event of any inconsistency or contradiction between the provisions of this Tariff and the provisions of the Act, the latter provisions will prevail.

The whole Tariff has been denominated in United States of America Dollar (USD). The Kenya Ports Authority Management may allow payment to be made in Kenya Shillings (KES) and reserves the right to prescribe the currency of payment and the exchange rate to be applied.

Working hours shall mean the appointed hours of business as may from time to time be prescribed by the Authority for the provision of any particular service or facility.

Stations or small harbors under the jurisdiction of the Authority shall observe regular working hours from 0800 to 1700 hours. Provision of services or facilities outside these hours shall be on prior notification.

Ship and cargo handling operations shall be available 24 hours a day throughout the year. These operations are organized on shift basis as below:

(a)	First Shift	0700	-	1500 Hours
(b)	Second Shift	1500	-	2300 Hours
(c)	Third shift	2300	-	0700 Hours

B. PRINCIPLES TO BE APPLIED & NATURE OF CHARGES

(a) Tonnage Scale.

Unless otherwise enumerated hereunder, all charges shall be assessed on Harbour Tonne.

(b) Gross Tonnage (GT)

Gross tonnage means the overall internal volume of a vessel as provided in the international tonnage certificate issued under the 1969 International Convention on Tonnage Measurement of Ships as amended.

(c) Pick-Up Order/ Pre-Advice/Special Service Request (SSR)

These are accounting documents which incorporate details of services rendered to containers and conventional cargo by the Authority and are lodged/created electronically to facilitate invoicing and delivery/receipt of cargo from/to the Port.

(d) Gate Pass

All cargo leaving the Port shall be issued with a Gate Pass on 24-hour basis. These Gate Passes shall expire as follows:

- i. Conventional Cargo - 6 hours from the time of issue
- ii. Containerized Cargo – 12 hours from the time of issue
- iii. Motor Vehicles - 18 hours from the time of issue

(e) Position Slip

A document issued at the gate indicating the stack position of the container/cargo.

(e) Vessel

A vessel means a water craft including non-displacement Craft, Barge, Wing in Ground (WIG) Craft and Seaplane used or capable of being used as a means of transportation on water.

(f) Cellular Container vessel

Fully cellular Container vessel means a vessel purposely built for the transportation of ISO standard containers stacked on top of each other in vertical cell guides.

(g) Non-Cellular Container vessel

A non-cellular Container vessel means a vessel which is not purposely built to carry ISO standard containers but which may carry non containerized cargo. Not all hatches into which containerized cargo will be loaded or discharged on this vessel will have vertical cell guides although there may be hatches which do.

(h) Ro-Ro vessel

A Ro-Ro vessel means a vessel which has certain cargo decks accessible only by means of a ramp which is lowered onto the quay side and over which cargo is driven on board or off the vessel.

(i) Container

A container means any container, reefer container, controlled atmosphere container, integral reefer container, and transportable tank or flat that conforms to the ISO type designations. Containers not complying with this standard will be handled at the discretion of the Authority.

(j) Abnormal/Out of Gauge Containers

Any container which contains cargo of which the dimensions exceed any of the external dimensions of the container in or on which it is carried, or any container which cannot be handled by means of standard container handling equipment. This includes ISO standard containers that have been damaged and consequently cannot be handled by means of standard container handling equipment. Such containers are handled at owner's risk.

(k) Reefer Containers

A reefer container means any container, including reefer clip-on units, heated tanks and containers that move via the reefer area and require power connection.

(l) Arrived Vessel

A vessel is deemed to have arrived at the port when she has entered the Harbour limits and reported her presence to the pilot/control station.

(m) Vessel Documentation

The following documents shall be submitted to the Authority electronically as follows;

- i. Long Haul – at least forty-eight (48) hours to ETA
- ii. Short Haul – at least six (6) hours to ETA
(Regional Ports along the East African coastline)

Failure to do so may result to withholding of the vessels from berthing or clearance to sail from the Port until such time as they are made available. Late submission of each EDI file will attract a penalty as per clause 14.14

(i) Discharging Vessels

1. Cargo Stowage plan
2. Cargo manifest
3. Hatch list/discharge list
4. Hazardous and dangerous cargo declaration
5. Passenger manifest

ii) Loading Vessels

1. Cargo stowage plan
2. Cargo Loading list
3. Passenger manifest
4. Container Booking Forecast (8 days minimum prior to opening of stack for exports receiving)

(iii) Sailing Vessels

1. The Ships register
2. International Tonnage Certificate
where applicable

(n) Through Bill of Lading Container

A through bill of lading container is an FCL/FCL or FCL/LCL container whose handling charges are paid by the Ship's agents or ICD/CFS Operators or the Cargo Owners as applicable. Such bill covers at least two modes of transport

(o) Status of Containers and Amendments

Amendments of Status or Final Destinations (FND) of containers must be submitted to and approved by the KRA on form C11/EDI Manifest Amendment File and must include all the necessary details, viz; the relevant bill of lading, container numbers/marks and the status for which change is requested. KPA shall effect desired changes in the manifest upon receipt of approved C11/EDI Manifest Amendment File.

If the Status or Final Destination (FND) of the cargo is not declared in the manifest, such cargo will attract C11 levy as per tariff Clause 19.8. Change of destination refers to amendment from Port to ICD/CFS, Domestic to Transit and vice versa.

(p) Ordering and Cancellation of Labour

Requirements for Port labour and facilities must be requested in writing by 1000 Hours each day, to cover 2nd and 3rd shift of that day and 1st shift of the following day. For Saturdays and Sundays the order must be placed by 1000 Hours on Friday. For Public Holidays the order must be placed by 1000 Hours on the preceding working day. These timings are subject to change from time to time.

Cancellation of labour must be notified in writing per shift by 1300 Hours and 1700 Hours for 2nd shift and both 3rd and 1st shift the following day respectively. Weekend cancellation will have to be made 1700 Hours on Friday for all weekend shifts.

Labour cancellation charges will be raised for late cancellation of labour. Cancellation made by 1500 Hours for a 2nd shift and by 1800 Hours for 3rd shift and 1st shift of the following day and weekends shall be charged for a 3 HOUR hire of labour. Cancellation after these times shall be charged for an 8 HOUR hire of labour.

Delays and idle time during shift working which are not caused by the Authority shall be charged as Chargeable Delays.

(q) Direct Delivery for General Cargo

Imported Cargo shall be considered to be directly delivered if the first resting point on the shore side from the vessel is a waiting truck, wagon or other mode of conveyance such as a pipeline, a conveyor or equivalent without landing on the quay. Where such cargo is landed on the quay and handled by shore equipment then it ceases to be a direct delivery and charges for indirect delivery shall apply. The reverse shall apply to exports. Imported vehicles delivered from the ramp to the port exit gates shall also be deemed to be directly delivered.

Where cargo is handled (sorted) on the quayside, the applicable charges shall be raised as per clause 15.14.

Importers and Exporters of General Cargo can apply to the Authority for permission to deliver their cargo directly to/from the transport vehicle or wagon from/to a vessel. Such application will be accepted provided that:

- i. The cargo is homogeneous/uniform in nature.
- ii. They are Explosives or highly dangerous packages.
- iii. They are Heavy Lifts over 20 DWT or awkward packages over 45 cubic meters which cannot be landed on the quay.
- iv. Self-propelled motor vehicle units delivered via the ramp.

Note:

- a. Cargo in this category shall not attract Shorehandling charges specified in **Clause 15**.
- b. The consignee/agent shall notify the Ship Agent to indicate on the manifest that such cargo is due for direct delivery and such manifest shall not be submitted later than 48 hours before arrival of the vessel.
- c. Delivery of such cargo shall not pose any operational impediment and is subject to confirmation.

(r) Customs Warehouse Cargo

Cargo will be declared as Customs Warehouse due when it is declared so by a proper Customs Officer and a Want of Entry issued.

(s) Auction Sales

Unentered goods auctioned by Customs shall attract normal Wharfage and Shorehandling charges as provided in this Tariff prior to removal from the Port.

Entered goods not collected by the Client shall be auctioned to recover charges such as wharfage, shorehandling and storage incurred in accordance with the KPA Act.

(t) Re-Marshalling

Re-marshalling means any shifting, transfer, removal, handling containers in situ after the free period within the container terminal and include movement within the bays, blocks, yards or transfer to other areas within the Port or other designated areas outside the Port.

(u) Free Storage Period

Means specified periods during which cargo or containers handled over the quay may occupy space assigned to it in the Port free of storage charges, either prior to the loading or subsequent to the discharge of such cargo or containers.

For the purpose of computing storage charges, free period for Imports and Transhipment cargo shall commence from the next day of discharge of the cargo consignment from the vessel. Free period of Export cargo shall start from the day of receipt. A day refers to 24 continuous hours running from 0001 hours (midnight). Part of the day shall be deemed as a whole day.

Free days shall run consecutively and shall include Saturdays, Sundays and public holidays.

(v) Transhipment Cargo

Transhipment cargo or Transhipment container means goods landed from a vessel and placed in the custody of the Authority for the purpose of Shipment on another vessel.

To qualify for the Transhipment cargo rates the cargo must be discharged by the first carrier at the Port and remain in custody of the Authority until it is transhipped onboard the on-carrying vessel. Cargo which leaves the port precincts ceases to be categorized as Transhipment Cargo.

(w) Stevedoring

Stevedoring means transfer or movement of cargo within the vessel and/or between the vessel and the quay or the next mode of transportation.

(x) Shore-handling

Shore-handling means handling, transfer or removal of cargo to or from the quay or jetty and the transit sheds, warehouses or stacking yards.

(y) Wharfage

Wharfage charges shall be raised on all cargo including empty containers passing over the quays, wharves, jetties and buoys. Transhipment cargo which is exclusively handled by the Authority is exempted from this charge.

(z) Storage

Storage is a charge levied on cargo remaining in the Port Area after expiry of the allowed Free Period.

(aa) Exemption from Compulsory Pilotage

The following vessels may be exempted from compulsory Pilotage provided that such exemption will assure safety to Harbour installations, vessels or other crafts:

- i. Ships owned or operated by the Government other than those engaged in commercial trade.
- ii. Ships owned or operated by the Authority.
- iii. Authorized ferries plying as such exclusively within the Harbour limits.
- iv. Ships of less than 500 Gross Tonnage
- v. Ships trading exclusively between Ports in Kenya.
- vi. Dredgers or similar vessels whose ordinary course of navigation does not extend beyond the Port limits.

(bb) Exemption from Light Dues

- i. Naval Ships on courtesy calls and Government vessels not engaged on trading voyages.
- ii. Passenger/ Cruise vessels.
- iii. At the sole discretion of the Authority, vessels entering a Port on account of distress, weather, with mutinous crew or entering when disabled or for medical assistance (provided they do not stay in Port longer than 48 hours.) For any period in excess of 48 hours, such vessels shall pay the normal rate specified under CLAUSE 4 of this Tariff.

(cc) Exemption From Port /Harbour Dues

The following vessels are exempted from payment of these Dues:

- i. Naval Ships on courtesy calls and Government vessels not engaged on a trading voyage.
- ii. Vessels entering the Port solely for bunkers, fresh water or provisions provided that they do not stay in the port longer than 24 hours.

(dd) Laid Up Vessels

The Owners or Agent(s) of a vessel in Port intending to lay it up shall give Notice of such intention to the Authority and provide proof that: -

- i. The Ship has no cargo on board and is not used for storage purposes.
- ii. The articles of agreements with the crew thereof have been closed other than for the following whom must remain on board during the entire period of lay up to maintain the Ship and facilitate safety;
 - An Engineer to man the generators
 - One Deck Officer
 - 2-3 Seamen to deal with any emergency
- iii. The Ship has been surveyed and certificate of seaworthiness issued by a competent Authority. On receipt of the notice and proof as above, the Authority may at its discretion grant consent and declare the date on which such vessel shall be treated as a "laid up" vessel.

(ee) Chargeable Delays

The following delays occasioned during operations shall be paid for by parties causing the delay;

- i. Standby attributed to delay in opening or closing hatches by Ship crew.
- ii. Standby attributed to delay in rigging Ships gear by crew (This delay is only applicable if advance notice of requirement of Ship gear was given to the vessel).
- iii. Standby of gangs allocated on the next Ship planned for a berth attributed to failure by a completing vessel to sail on appointed time if the Authority did not contribute to the delayed sailing of the completing vessel.
- iv. Standby of labour attributed to failure by Ship to provide loading/discharging instructions or stowage/bay plan.
- v. Standby of labour attributed to poor supply of empty containers delivered directly to vessel from depots outside the Port.

NOTE: All chargeable delays are subject to 30 minutes free period from commencement of the delay as booked in the supervisor's working report or any relevant document.

(ff) Dangerous Cargo

- i. Dangerous goods are all those substances listed in the I.M.D.G. Code published by the International Maritime Organization (IMO).
- ii. It is mandatory for Ship operators to declare all dangerous goods on board in the form prescribed under the IMDG Code. Trade names of dangerous goods are not acceptable.
- iii. It is mandatory for all Ship's Agents and Clearing and Forwarding Agents to declare all dangerous cargo by class on all documents required in the clearance process.
- iv. Dangerous cargo exempted from payment of surcharge is outlined in the Exemption List.

(gg) Waste Reception Facilities

Vessels can only discharge their garbage, sludge and Ship waste into designated Waste Reception Facilities in accordance with the requirements of International Convention for the Prevention of Marine Pollution at Sea (MARPOL), on payment of appropriate published charges.

(hh) Salvage Operations

Vessels within the Port limits are obliged to accept salvage services offered by the Authority. These services shall be charged separately from normal Marine Charges. The charges shall be based on the nature of salvage or as per the Lloyds Open form.

C. GENERAL PROVISIONS

I. Supercession

This Tariff supercedes the Tariff introduced with effect from 1st December 2012 and any amendments thereto.

II. Application

This tariff applies to the Port of Mombasa and Port of Lamu.

III. Consent To Terms of The Tariff

The use of services rendered by Kenya Ports Authority shall constitute consent to the terms and conditions of this tariff, and evidence, agreement on the part of all vessels, their owners, operators, charterers, mortgagees, or agents, the cargo owners and agents (Shippers or consignee) and other users of the Port to pay all charges specified and to be governed by all rules and regulations appertaining to the Port.

IV. Payment For Services Rendered and Levies

All services shall be provided upon payment of the charge or the levy due in accordance with this tariff. Ships agents or owners shall be required to pay in advance or before sailing the full marine and stevedoring charges.

Cargo owners or agents shall pay for services before any service is rendered. Cargo owners and or agents may apply for credit facilities provided they fulfill such conditions for the facilities as may be required by the Authority from time to time.

V. Late Payment of Invoices

All invoices shall be payable when they fall due. Failure to pay may cause a lien to be placed on the goods handled at the port and the responsible party may be denied further use of the port until all outstanding charges have been paid. The Authority reserves the right to charge interest on the outstanding amount at the rate of 2% above the Central Bank of Kenya rate (CBR).

VI. Charges Or Dues Not Expressly Provided For

The Authority may in respect of services rendered or to be rendered or facilities provided or to be provided but which services or facilities are not specified in this Tariff, determine and raise charges at such rates or for such amounts as the Authority may in each case consider appropriate.

VII. Contracts

The Authority may enter into agreement with any person including any company or association or body of persons corporate for the performance or provision by that person of any of the services or facilities which may, under the Act, be performed or provided by the Authority and raise charges at such rates or for such amounts as may be mutually agreed between them, and such charges or rates shall apply and be collected as if they were set out in this Tariff Book.

VIII. Power Of the Authority to Impose Surcharges and Adjust Charges

The Authority may impose an individual or general surcharge or adjust the rates set out in this Tariff according to the nature of the services rendered or facility provided or afforded or on account of specific or general economic consideration.

IX. Value Added Tax (VAT)

All charges in this tariff exclude VAT and any other statutory charges where applicable. VAT and those other statutory charges/ levies will be applied at the rate(s) applicable at the time of billing.

X. Revocations and Transitions
